- Fire Dept. reviewed the quote from Tyco, and said they would not recommend paring it down to cut costs. They are currently reviewing the quote from Approved Protection Services.
- Full Spectrum Windows will be working on the upstairs windows very soon. We are their next job.
- Survey on hours of operation has been revised to include ages. I just made this change to the survey, so we need to make it available a bit longer.
- Friends of the Library is providing \$500 to beef up the Junior Graphic Novel section. They are also funding the snacks for the Bookworms on a weekly basis (this adds up quick at around \$17 a week).
