Here is a map to use for the craft show set up and parking. The craft show will be set up on the library lawn and on the blocked off portion of Canal St. You can access Canal St from South Saint Joseph St. This is the street that Abbott's Magic is on. Please do not use Blackstone Ave./86/the main road to park and unload. You may pull up to the barricades on the back of Canal St. to unload. There is temporary short-term parking available in parking spots on the sides of Canal St. and at the library. The Sturgis bank may be an option for unloading locations. Please do not block any parking lots or driveways. Please do not use the short term and unloading options as long-term parking spots. Long term parking will be located at the Lamb Knit yard (large brick warehouse building) which is highlighted in purple on the map. The large grass yard area accessible from the South Street. (Photo included) Please let me know if you have any questions and I will do my best to answer them. Thanks for participating!
