**Other Information:**

- I purchased two new computers for the library. These will be upgrades for both employee workstations. Our older computers will be used for reference and at the Circulation Desk. John Schwartz will be updating and providing maintenance on the public computers next month.
- Several of my Book Vipers and I met with the Youth Advisory Committee (via Zoom) through Branch County Community Foundation on Sunday to answer questions about our request for \$1,000 for teen activity kits.
- I am applying for a grant for video cameras for the library. They would cover the entrances and parking lot.
- The elevator repairs for the issues we encountered last month ended up being \$757.90 total. I will give the board a breakdown of past elevator maintenance costs and recommendations for a possible upgrade after my webinar with OTIS next week.
- The Coldwater Reporter is going out of business so Patti Miller reached out and asked for all physical copies of the Colon Express in their collection. They have agreed and called me on Friday, March 19<sup>th</sup>, to arrange a pick-up time and date. I am trying to find someone to pick them up and bring them to the library next week.
- We are hoping to go back to regular library hours starting May 1<sup>st</sup>.
