**Other Information:**

- We received notification from Branch County Community Foundation that we were awarded the grant \$1000 for teen activity kits. This grant was written mainly by teens from the Book Vipers Book club.
- I am applying for a grant for video cameras for the library. They would cover the entrances and parking lot.
- Patti and Kevin Miller picked up every physical original copy of the Colon Express newspapers from the "Coldwater Reporter." The Coldwater Reporter is going out of business, so while that is very sad we appreciate that these newspapers are coming home to Colon.
