- We received \$100 from an anonymous donor to the FOL group this week.
- The Teen Activity Kits will be made available next week. Attached are a few examples of the kits.
- The grant for the security cameras has been submitted. We should know soon if we received the grant.
- I am applying for other grants, including a grant for the new local history room through BCCF.
- Library maintenance issues: I will call a pipe company in Three Rivers when I notice the slow leak that usually happens in cold-weather months. I called Steve Persing, and he said he would stop by to look at the flashing on the roof. OTIS will be coming in to advise on getting the elevator up to current ADA requirements. They wouldn't give me a specific time or date but said they would call when they're on their way.
- We are working hard to get the FOL book sale cleaned up in preparation for the local history room.
- The library is back to regular hours, and it is busy!
