Other Information:

- The Storywalk is currently on its second story this Summer. Check it out at the Colon Community Park. We've received a lot of positive feedback.
- Kim will be off of work until August 10th. I hired Linda Musall on an On-Call basis to help out this Summer. We are busy! ☺
- I am applying for other grants, including a grant for the new local history room through BCCF.
- The leaking pipe in the basement has been repaired. Mike Poortenga fixed the leak around the flashing on the roof. OTIS will be coming in to advise on getting the elevator up to current ADA requirements. They wouldn't give me a specific time or date but said they would call when they're on their way.
- The carpet in the library is being cleaned this Monday. I am unable to find someone to clean the windows. Recommendations would be great.
- We are working hard to get the FOL book sale cleaned up in preparation for the local history room. A lot of progress has been made.
- The Chair"ity" FOL fundraiser will take place during Magic Week. We have nine artists working on chairs.
- The Chamber of Commerce is running the Arts & Crafts Fair on Canal St and on the library lawn. All donations from vendors will go to the Friends of the Library group.
- I am looking into providing a Sitter-cise exercise group this Fall/Winter.
- We are working on adult programming for this Fall. Erica wants to do some craft classes like candle-making, making vanilla extract, and a Christmas ornament craft. We will be trying a game night this Fall.
