**Other Information:**

- Library millage passed on August 2<sup>nd</sup> ballot.
- The library received a \$1,000 donation from Alan Goldberg.
- The Friends of the Library are being gifted \$1,300 in donations from the Arts and Crafts show vendors.
- The Giving Tree Fundraiser is wrapping up at the end of August. We have made just over \$2,000.
- The Colon historical Society and the library received word that won the “Save Michigan History” grant. This means we will receive the assistance of a traveling archivist to help us get the Local History Room set up correctly, as well as up to \$2,500 in materials needed for the room.
- We received a \$4,000 grant for heat and smoke sensors for the library. I originally applied for a \$5,000 grant but was awarded only \$4,000. This means we will need to modify the amount of fire sensors we can afford. Possibly only two rooms will be able to be monitored instead of three, but it's a good start.
